

Instability In Magnetic Mirror Configuration

Hunt Feng

University of Saskatchewan

June 9, 2023

Outline of Presentation

- 1 Introduction
- 2 Governing Equations
- 3 Numerical Experiments
- 4 Future Work

Outline of Presentation

- 1 Introduction
- 2 Governing Equations
- 3 Numerical Experiments
- 4 Future Work

Flow in Magnetic Mirror Configuration

[1]

Outline of Presentation

- 1 Introduction
- 2 Governing Equations
- 3 Numerical Experiments
- 4 Future Work

Governing Equations

Outline of Presentation

- 1 Introduction
- 2 Governing Equations
- 3 Numerical Experiments**
- 4 Future Work

Outline of Presentation

- 1 Introduction
- 2 Governing Equations
- 3 Numerical Experiments
- 4 Future Work

Toshiki Aikawa.

The stability of spherically symmetric accretion flows.

Astrophys Space Sci, 66(2):277–285, December 1979.
